Your Request:

Please send me the following information about the contracts the Integrated Care Board (or its subcommittees or previous Clinical Commissioning Groups in your integrated care system) holds with independent sector providers of acute and elective care. By acute and elective care, please include the range of acute services including diagnostics, outpatients, surgery and other procedures. By independent sector, I refer to commercial and third sector organisations, including social enterprises.

- 1) What is the name of the independent sector provider for each contract?**
- 2) Which services are provided through each contract?**
- 3) What is the value of each contract, in total and on an annual basis? If the value is not pre-determined because, for example, it is an Any Qualified Provider contract, please tell me the value or estimated value of the contract in the most recent complete financial year. If there is no data for a single year, please provide the total lifecycle contract value.**
- 5) What are the start date and end date of each contract?**
